Each rate shall be such as will produce the amount determined as necessary to be raised by taxation on the secured roll after due allowance for delinquency, anticipated changes to the roll, disputed tax revenues anticipated to be impounded pursuant to (GC) §26906.1, amounts subject to the Community Redevelopment Law (Part 1 (commencing with Section 3300) of Division 24 of the Health and Safety Code), and other available financing sources. - (b) For purposes of this section, “an amount appropriate for necessary reserves” shall be limited to an amount sufficient to accommodate the county’s anticipated annual cash-flow needs for servicing the county’s voter-approved debt. The funds reserved may service only the debt for which the extraordinary rate is levied. - §29103** It shall be the responsibility of the auditor to calculate the several tax rates for the board's action thereon.
- §29104** The board may adopt a rate ending in the next highest fraction of a percent for a fund, or for a group of funds having the same tax base.
